IT'S YOU

Análise da Forma da música It's You

Ouçã com atenção, várias vezes, se precisar. Escreva, nos momentos em da letra em que ocorrerem, as mudanças nos instrumentos (quando entram, quando saem), as mudanças (ritmo, melodia, etc), conforme forem aparecendo ao longo da música. Enfim, descrevam o que vai acontecendo sonoramente. Quanto mais informações, melhor.

Uma opção é abrir no Paint Brush, por exemplo, e escrever, desenhar, indicar com desenhos/gráficos.

Depois, faça um esquema simplificado das partes que compõem as música (por exemplo, refrão/letra/refrão 2x, etc).

It's You

[Ali Gatie](#)

It's you, it's always you

If I'm ever gonna fall in love I know it's gon' be you

It's you, it's always you

Met a lot of people, but nobody feels like you

So, please, don't break my heart

Don't tear me apart

I know how it starts

Trust me, I've been broken before

Don't break me again

I am delicate

Please, don't break my heart

Trust me, I've been broken before

I've been broken, yeah

I know how it feels

To be open

And then find out your love isn't real

I'm still hurting, yeah

I'm hurting inside

I'm so scared to fall in love

But if it's you then I'll try

It's you, it's always you

If I'm ever gonna fall in love I know it's gon' be you

It's you, it's always you

Met a lot of people, but nobody feels like you

So, please, don't break my heart
Don't tear me apart
I know how it starts
Trust me, I've been broken before
Don't break me again
I am delicate
Please, don't break my heart
Trust me, I've been broken before

I know I'm not the best at choosing lovers
We both know my past speaks for itself
(For itself)
If you don't think that we're right for each other (Baby, no)
Then, please, don't let history repeat itself

'Cause I want you (yeah, yeah), I want you (yeah, yeah)
There's nothing else I want
'Cause I want you (yeah, yeah), I want you (yeah, yeah)
And you're the only thing I want

It's you, it's always you
If I'm ever gonna fall in love I know it's gon' be you
It's you, it's always you
Met a lot of people, but nobody feels like you

So, please, don't break my heart
Don't tear me apart
I know how it starts
Trust me, I've been broken before
Don't break me again
I am delicate
Please, don't break my heart
Trust me, I've been broken before

'Cause I want you, baby I want you
Baby, I want you, baby I want you
Baby, I want you, baby I want you
Baby, I want you, you, you

'Cause I want you, baby I want you
Baby, I want you, baby I want you
Baby, I want you, baby I want you
Baby, I want you, you, you
